

Nynomic AG

Am Marienhof 2, D-22880 Wedel

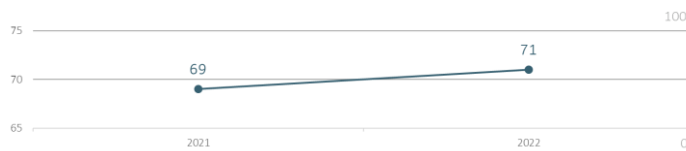

71/100

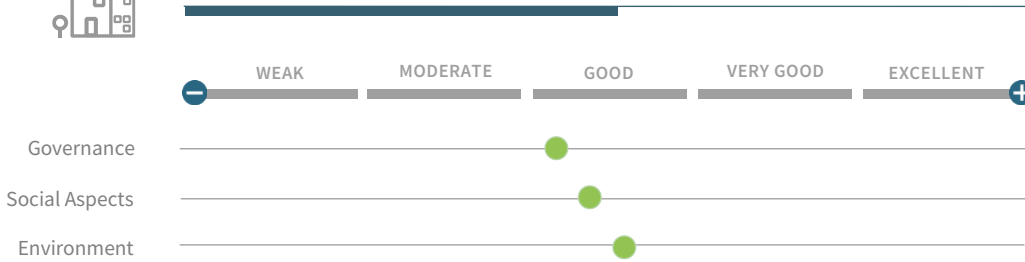

VERY GOOD

imug rating was commissioned to prepare an independent sustainability rating on Nynomic AG. The Company is an internationally active manufacturer of products incorporating permanent, non-contact and non-destructive measurement technology. Nynomic's products and services are based on a wide range of intelligent sensors for measuring optical radiation and smart technologies for collecting, processing and evaluating data. The company and its subsidiaries provide non-contact optical measurement technology along the entire value chain.

HISTORIC DEVELOPMENT
